What it should say instead:

Tell us who you are

Select an option to personalize your experience on Hye Gather.

I'm a Vendor

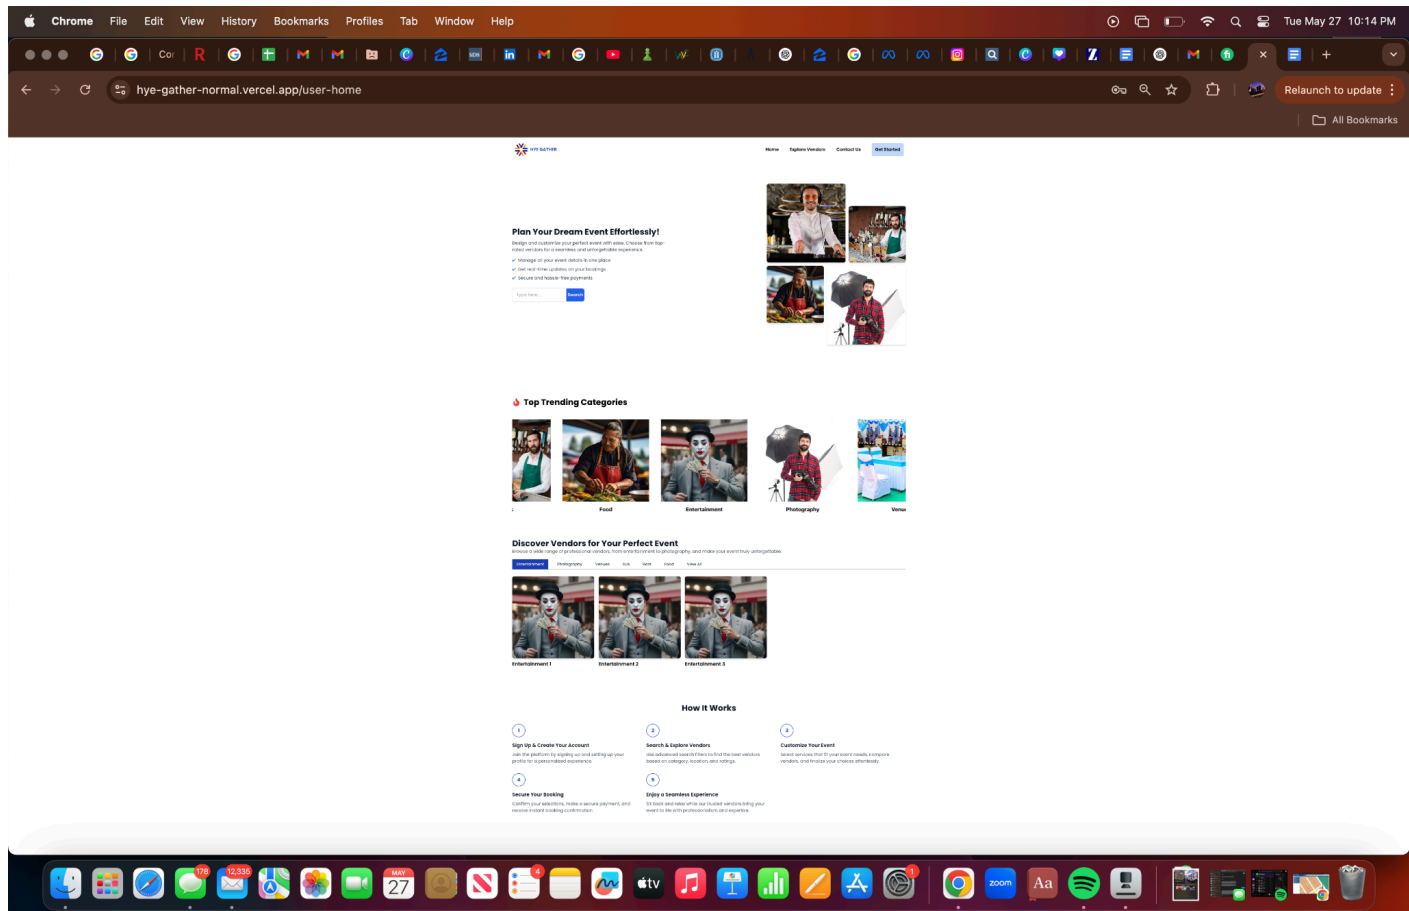

Showcase your services, connect with clients, and manage all your bookings in one place.

- ✓ Add and manage your listings
- ✓ Track bookings and payments
- ✓ Collect reviews and grow your business

I'm Planning an Event

Easily find and book trusted Armenian vendors for any occasion.

- ✓ Browse and compare top-rated vendors
- ✓ Send inquiries and manage bookings
- ✓ Leave reviews and stay organized

1. Title & Subtitle

Current: “Choose your role to get started”

Better:

Title: “How can we help you today?”

Subtitle: “Tell us why you’re here so we can tailor your experience.”

2. Card Titles

Current: “Become a Vendor” / “Find a Vendor”

Better Options:

- “I’m a Vendor” / “I’m Planning an Event” (*more casual + user-aligned*)
 - “Offer My Services” / “Book a Vendor”
-

3. Descriptions (Rewritten)

Vendor:

Showcase your services, receive bookings, and manage your business with ease.

- ✓ Add and manage listings
- ✓ Accept and track bookings
- ✓ Get paid and collect reviews

Customer:

Easily find trusted vendors for your next event—all in one place.

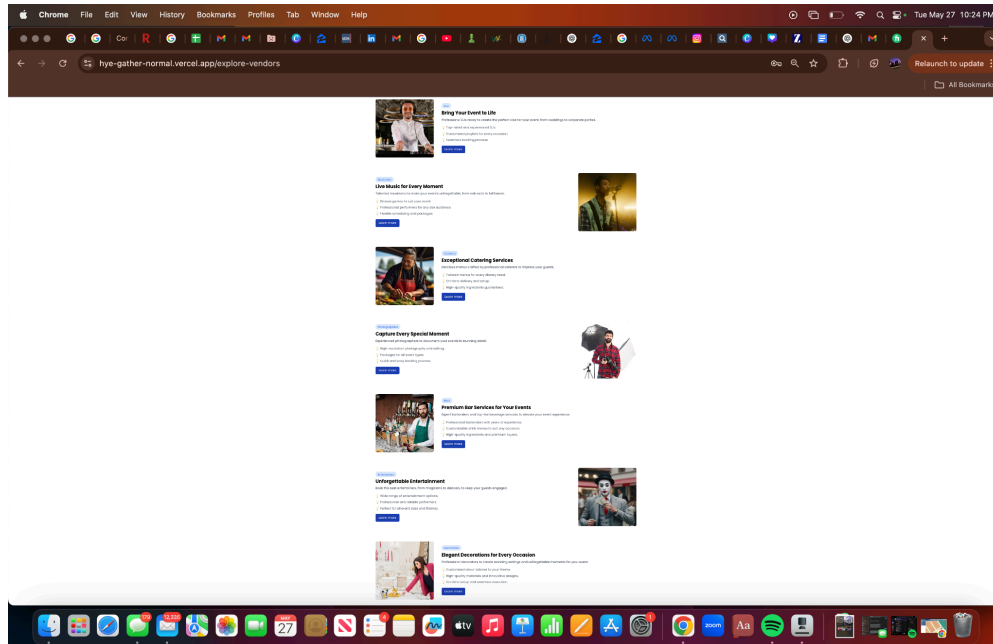

- ✓ Browse top-rated vendors
 - ✓ Send inquiries and confirm bookings
 - ✓ Stay organized and leave reviews
-

4. Button Labels

Current: "I'M A VENDOR" / "I'M A CUSTOMER"

Better Options:

- “Continue as Vendor” / “Continue as Planner”
- “Start as Vendor” / “Start Planning”
- “Let’s Go” buttons personalized per role

Header Title:

Explore Trusted Armenian Event Vendors

Subtitle / Description:

Discover top-rated service providers for every kind of event — all in one place. From food to music, entertainment to décor, find the perfect vendors trusted by the community.

Category Section Cards (Template):

[CATEGORY NAME]

 Example: **Live Music That Elevates the Moment**

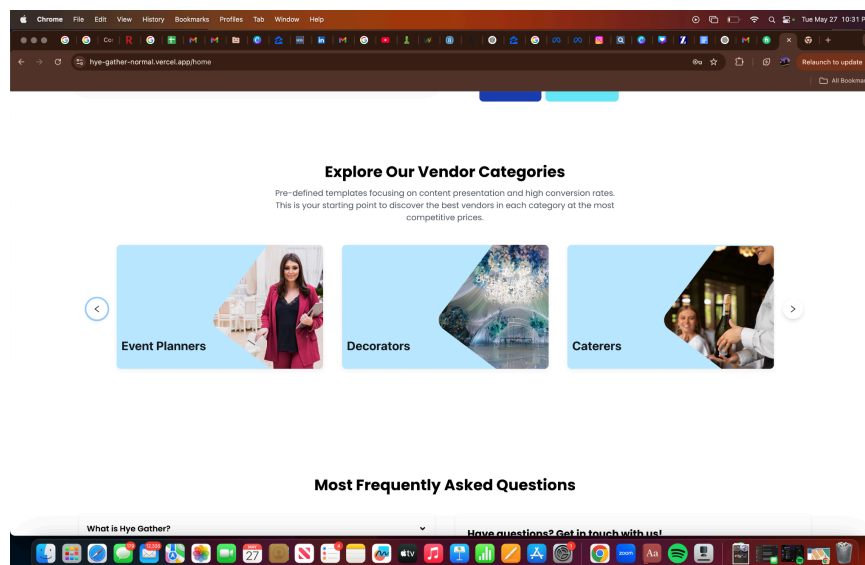

Bring your event to life with passionate performers—from solo vocalists to full bands.

- Explore a range of musical styles
- Hear samples and read reviews
- Book confidently through our platform

 **[View Vendors]**

Repeat similar formats for:

- **Catering Services**
- **Photographers & Videographers**
- **Bar Services**
- **Event Entertainment**
- **Decorations**
- **Coffee & Dessert Vendors**
- **Venues**
- **Sparks & Fog**
- **Hookah, Florists, Car Services, Rentals, etc.**

Visual Redesign Suggestions:

1. **Use Rounded Card Boxes** with shadows for a more friendly, elevated UI.
2. **Add Armenian-style borders or subtle pattern overlays** (like Armenian needlework texture in background).

3. **Use square or circle icons instead of full images** to keep it clean and unified.
4. **Add a hover effect** that darkens the image slightly and reveals a short description (1 sentence).
5. **Use category colors** (subtle red, orange, blue tints from the Armenian flag) for each tile background.

Text/Label Suggestions:

Title:

Browse Vendors by Category

Subtitle (Replace current one):

Find handpicked vendors in every category — all trusted and loved by the Armenian community.

Example of What Each Box Could Say:

- **Event Planners**

“From weddings to birthdays, connect with experts who handle every detail.”

- **Decorators**

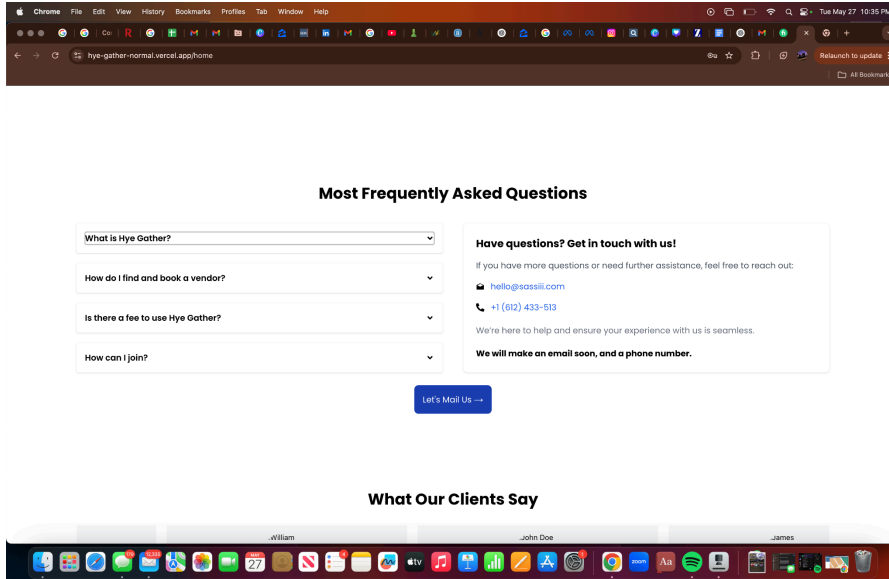

“Transform your event with elegant and stylish decor.”

- **Caterers**

“Explore delicious options from Armenian favorites to gourmet bites.”

New Section Title:

Need Help? We've Got You.

Revamped FAQs (use accordion style or collapsible cards):

What is Hye Gather?

A go-to platform connecting Armenians with trusted local vendors for any kind of party, event, or gathering — all in one place.

How do I find and book a vendor?

Search by category, compare profiles, message vendors, and book your favorite — it's that simple.

Is it free to use?

Yes! It's free to browse and contact vendors. Vendors pay to promote their listings.

How do I get started?

Just sign up, pick your role, and you're ready to go!

Questions

What happens behind the scenes when a user submits an inquiry?

- How are inquiry responses and confirmations tracked and updated in the backend?
 - Can we automatically move a booking from “vendor requests” to “booked” once confirmed?
-

Vendor Logic

- Can vendors customize their availability calendar, and is it synced with their bookings?
- Do vendors get real-time alerts for inquiries and messages?
- Can vendors manually add bookings and are those visible on their dashboard?
